Dino 3D Puzzle - Plesiosaurus

Instructions:

1. Carefully remove the puzzle from the packaging. Be gentle to avoid damaging the pieces.
2. Carefully peel off the pieces from the laser-cut cardboard sheet. Be patient and steady to ensure you remove each piece without tearing.
3. Assemble the pieces according to the diagram. You can refer to the pictorial diagram on the back of the sheet for guidance.
4. The Plesiosaurus is a prehistoric marine reptile. Use the provided image to help you assemble the puzzle.
5. Once assembled, admire your creation! The Plesiosaurus is a fascinating model that brings a piece of prehistory to life.
